**VINELAND PUBLIC CHARTER SCHOOL
CODE OF CONDUCT
Grades K - 10
2017-2018**

PURPOSE

The purpose of this Code of Conduct is to acquaint you and your parents/guardians with helpful information in order to provide for the smooth operation of our school. Please review it very carefully and keep it handy for reference to daily routines and general procedures. We want you to know what is expected of you and what you can expect from your school. *This is your formal notification of the rules and procedures under which we operate.*

EXPECTATIONS FOR STUDENT BEHAVIOR – Policy 5500

Students, parents, school administrators, and the board of education all believe that pupils should commit themselves to learning and to the development of their unique potential. We believe that it is important to help students realize that their own attitudes and acts are directly related to their school experience and that of their classmates. With the support and assistance of school personnel and parents, all students have the capacity to demonstrate actions which contribute to the effectiveness of schools and the worth of their learning experiences.

Therefore, we, the students, parents, teachers, administrators, and members of the Board of Trustees of Vineland Public Charter School expect all students to fulfill the behavioral expectations of the school community, and to:

1. Prepare mentally and physically for the process of learning.
2. Respect the person, property, and intellectual and creative products of others.
3. Take responsibility for their own behavior.
4. Use time and other resources responsibly.
5. Share responsibilities when working with others.
6. Meet the requirements of each course of study.
7. Monitor their own progress toward school objectives.
8. Communicate with parent(s) or legal guardian(s) and appropriate staff members.

STUDENT RESPONSIBILITIES

Below is a partial list of student responsibilities and expectations, equal in measure with their age and ability, which are necessary to improve the overall climate of the school.

1. Attend school on a regular basis.
2. Be on time to school and to all classes.
3. Come to class prepared with homework completed, pencil, paper, and textbooks.
4. Come to school properly attired.
5. Treat teachers, staff members, and fellow students with respect.
6. Establish pride in yourself by working to the best of your ability.

EXPECTATIONS FOR PUPIL CONDUCT

Students are expected to exhibit proper behavior at all times. Such actions as yelling, throwing things, profanity, insubordination, defiance, and disorderly or discourteous acts interrupt a proper educational atmosphere. We expect our students to conduct themselves in a manner that will contribute to the overall educational goals and expectations of the school. We expect our students to develop responsible attitudes of personal conduct and to respect the rights of others in the school. Students do not have the right to disrupt or impede the learning process of others, nor does any student have the right to jeopardize the safety and well-being of others in the school. Students are expected to show respect to all adults in the school. Insubordination and defiance of adult authority, or verbal and/or physical abuse of those adults employed in the school will not be tolerated and consequences will be assigned for these offenses. It is the student's responsibility to obey school regulations and procedures and the school staff and administration that enforce them. This responsibility extends to student conduct to, during, and from school as well as in the building itself and on school grounds. Any unlawful act taking place on school grounds or buses before, during, or after school (e.g. athletic events, dances, etc.) not only makes the student subject to penalties which the courts prescribe, but may also result in suspension or dismissal from school.

STUDENT CODE OF CONDUCT

One very important goal of the school system is to develop positive and constructive student behavior. Thus, discipline must be administered with the goal of changing inappropriate behavior. All aspects of each case will be considered. Administration will conduct an investigation of reported incidents before assigning consequences.

Pupil discipline and code of conduct in the district will be applied without regard to race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability or by any other distinguishing characteristic, pursuant to N.J.S.A. 10:5.

The administration reserves the right to interpret the Code of Conduct and assign consequences based upon individual situations and circumstances. For some incidents, immediate notification of the police and the County Prosecutor’s Office could result in criminal charges.

DETENTIONS

The staff at Vineland Public Charter School believes that the Code of Conduct should not be as much punitive as it is corrective, for it is our duty to try to help every student learn to behave and interact in a socially acceptable manner. We would like to maximize the teachers' time spent on instruction and minimize time spent on disciplining the disruptive elements present in the classroom. Corrective action will be taken to remedy inappropriate behaviors. The action is taken to help our students learn from their mistakes and/or poor choices.

Detentions may be assigned by the administration or teacher when it is deemed necessary to correct behavior that is interrupting the normal learning process. Detentions may be given for disciplinary infractions that a teacher feels are detrimental to the smooth operation of the classroom and/or school. In most cases, students will be given one day's notice before the detention is to be served. The teacher will send the Parent Notice form home so that the parents/guardians will know that their child has detention. Please note the Parent Notice form will be sent home to inform the parents/guardians that there was a disciplinary infraction that occurred and when the detention will be served. A signature will be required for all Parent Notices. Parent Notices must be returned to school the next day. Failure of the students to remain for detention will result in further disciplinary action. The parents/guardians will be notified and a conference may be scheduled. If a student does not return the Parent Notice signed, the teacher and/or administration may contact the parent/guardian for confirmation they are aware of the incident(s) that occurred and the consequence(s) assigned.

Detentions will be scheduled from 4:00 PM – 5:00 PM, normally on the day following the infraction. Additionally, lunch detentions can be assigned by administration or teachers on the same day as the infraction and/or on future days. Any student that is given an administrative detention and is absent or goes home early on the assigned detention day will serve that detention on the day they return to school. Work will be assigned. Rules and regulations must be strictly adhered to or further disciplinary action will be taken. In the event a student does not attend the assigned detention on the designated day, the student will be required to serve that detention and may receive an additional detention.

LOCKERS (5th - 10th Grades Only)

Students will be issued a hall locker. Students must purchase a school lock to use a locker. Only school locks may be used on the assigned locker. Students must keep their locker locked at all times for their security. Students are not to share lockers with other student(s) or give other student(s) their locker combination. Students may go to their lockers at designated times. **The school cannot assume responsibility for lost or stolen items.**

LOCKER SEARCHES

In accordance with New Jersey law and United States Supreme Court rulings, lockers are school property over which the district retains the right to conduct periodic inspections. If school officials have reasonable suspicion to suspect that a search of a student's locker or possessions will reveal

evidence that the student has violated or is violating either law or the rules of the school, then a search will be conducted.
