Dear Parents and Guardians,

PARCC Testing will begin on Monday, May 1st for students in grades 6 through 9. Students in grades 3 through 5 will begin PARCC testing on Monday, May 8th. Due to the important nature of the PACC Test we ask that students get adequate sleep during their testing period and that they arrive on time to school so that they do not miss a test session.

There are many security protocols that we are required to follow, including but not limited to:

- No cell phones in the testing room
- No disruptions of the testing room
- No food or drink in the testing room

In order to ensure students understand the serious nature of the security protocols we need to follow, any students violating procedures will receive disciplinary consequences of Out of School Suspensions. Students found violating the no cell phone in the testing room requirement will receive an automatic 5 day out of school suspension. In addition, we are required to report any violations of security to the PARCC State Coordinator for New Jersey.

We ask your support in ensuring your son/daughter understands the need to follow security protocols and procedures during PARCC testing.

Respectfully,

A handwritten signature in black ink that reads 'D. Morton'.
