February 27, 2018

Dear Parents and Guardians,

In light of the tragic events in Parkland, Florida, I have spent the past week reviewing procedures and collaborating with a variety of key personnel, including our School Resource Officer who performed a walkthrough of the building to assess our practices.

The staff of Vineland Public Charter School is committed to doing all we can to secure our facilities and keep children safe. Our commitment to provide a safe environment for our students and staff remains a daily priority. However, the work is ongoing. It takes cooperation between school officials and law enforcement; most importantly, it requires the cooperation of our children, our staff, and our parents. Two ways parents could help is to please remind your child(ren) about the importance of taking security drills seriously in addition to reminding them not to open school doors to let people into the building.

In the weeks ahead, there will be changes put in place as we continue to assess the needs of our school and students.

Sincerely,

Deborah L. Morton  
Principal
