Cumberland Cape Atlantic YMCA Employment Opportunities

As the largest not-for-profit community service organization in America, the YMCA is that place. Our goal is to provide affordable programs and services focused on the holistic development of children and youth, family strengthening and the health and well-being for all. That's a tall order, especially given that there are more than 2,600 YMCAs across the U.S. serving 20 million people each year. But it's why we're continually looking for talented, enthusiastic people with a passion for helping others and the desire to make a difference.
