

On Tuesday July 31, 2018, Lt. Cardana and Sgt. Harris of the Vineland Police Department met with Vineland Public School Principal Dr. Claudio Cerullo, to discuss partnering together, in order to keep our children safe from bullying and other violence. Dr. Cerullo, said, "Student safety/security, along with creating a bully-free school community is his highest priority when it comes to school leadership and student learning." Lt. Cardana stated, "VPCS will have our full support." We will also help the families and children get involved in the community through the Vineland PAL Program. Students can participate in karate, basketball, and other related sports to help build self-worth and self-esteem, along with good health."
